Legal Services Corporation: By a yea-and-nay vote of 267 yeas to 103 nays, Roll No. 386, the House passed H.R. 6666, to amend the Legal Services Corporation Act to provide authorization of appropriations for additional fiscal years.

Rejected a motion to recommit the bill to the Committee on the Judiciary with instructions to report it back forthwith containing an amendment that would restore restrictions prohibiting grants or contracts for support services (rejected by a yea-and-nay vote of 154 yeas to 213 nays, Roll No. 385).

By a yea-and-nay vote of 359 yeas to 1 nay, Roll No. 379, agreed to a motion that the House resolve itself into the Committee of the Whole.

Agreed To:

An amendment that permits use of an independent hearing examiner in cases involving funding termination only in accordance with regulations promulgated by the Corporation;

An amendment as amended by a substitute amendment that limits legislative and administrative lobbying on measures directly affecting individual clients to measures involving subjects on which the board of the local program has voted to take a position;

An amendment that strikes language permitting the Corporation to provide legal assistance to persons charged with an offense involving hunting, fishing, trapping, or gathering fruits of the land, when the principal defense asserted involves rights arising from a treaty with Indians;

An amendment that reduces the fiscal year 1978 authorization from $238.7 million to $217 million; and reduces the fiscal year 1979 authorization from $300 million to $275 million (agreed to by a division vote of 37 ayes to 32 noes);

An amendment that insures recipient programs give high priority consideration to outreach, training, and support services for client groups with special legal problems and poor access to legal services;

An amendment as amended by a substitute amendment (substitute agreed to by a division vote of 27 ayes to 4 noes) that allows the Corporation to participate in litigation only if it is party to the suit (agreed to by a division vote of 26 ayes to 5 noes);

An amendment that prohibits legal assistance in cases involving school desegregation (agreed to by a recorded vote of 208 ayes to 174 noes, Roll No. 382);

An amendment that strikes language providing that non-Federal funds received by the Corporation and funds received by a recipient from a source other than the Corporation would be reported as receipts and disbursements separate from Federal funds; and

An amendment as amended by a substitute amendment (substitute agreed to by a division vote of 67 ayes to 18 noes) that requires payment of attorney fees for a defendant in a case where a Corporation-funded program has brought suit with malicious intent or for the purpose of harassment. Agreed to a motion to limit debate on the amendment and all subsequent amendments to the bill (agreed to by a division vote of 46 ayes to 20 noes).

Rejected an amendment to the previous substitute amendment that sought to allow courts the right to award attorney fees upon motion of the defendant.

Agreed to an amendment that prohibits legal assistance in cases arising out of disputes or controversies on the issue of homosexuality or gay rights (agreed to by a recorded vote of 230 ayes to 133 noes, Roll No. 384, after being rejected earlier by a division vote 39 ayes to 80 noes).

Rejected:

An amendment that sought to reduce the authorization for fiscal year 1978 from $238.7 million to $175 million; and to reduce the fiscal year 1979 authorization from $300 million to $175 million (rejected by a recorded vote of 158 ayes to 221 noes, Roll No. 380);

An amendment that sought to require the approval of the Office of Management and Budget of any budget request made by the Corporation (rejected by a recorded vote of 160 ayes to 223 noes, Roll No. 381);

An amendment that sought to prohibit funds to provide legal assistance to any unemancipated person less than 18 years of age except with the written request of one parent or a court of competent jurisdiction; and except in certain types of cases;

An amendment to the previous amendment that sought to include child neglect cases and cases involving child exploitation in pornographic material as exemptions from the prohibition against legal assistance; and

An amendment that sought to terminate the Corporation on September 30, 1979 (rejected by a recorded vote of 166 ayes to 214 noes, Roll No. 383). Pages 20891-20925

Referral: One Senate-passed measure was referred to the appropriate House committee. Page 20943

Pending when the Committee of the Whole rose was a substitute for title XII, food stamps (substitute is the text of H.R. 7940, H. Rept. 95–464);

Agreed to several technical amendments to the substitute.

Agreed to:

An amendment that provides indemnification payments as a result of exposure to infestation of the golden nematode or as a result of any quarantine imposed because of the golden nematode;

An amendment that prohibits a set aside of soybean acreage as a condition of eligibility for price support for any commodity supported under this Act;

An amendment that authorizes the Secretary to make loan principal and interest payments in declared disaster areas for up to 3 years;

An amendment that makes tobacco or tobacco products ineligible for export to the Food for Peace program;

A substitute to the previous amendment that adds language specifying that priority be given to food and fiber in the Food for Peace program (agreed to by a recorded vote of 260 ayes to 151 noes, Roll No. 459);

An amendment specifies that there be no discrimination between "price-supported" and "nonprice-supported" commodities in the programing of commodities under the Agriculture Trade Development and Assistance Act of 1954;

An amendment that requires the Secretary of Agriculture to submit a hunger impact statement for legislation concerning domestic and international food assistance programs to the Food for Peace program (agreed to by a division vote of 30 ayes to 15 noes); and

An amendment that allows the Department of Agriculture to act as a purchasing agent for a foreign country for Public Law 480 sales.

Rejected:

An amendment that sought to set peanut price supports of $390 per ton in 1978; $375 per ton in 1979; $360 per ton in 1980; and $345 per ton in 1981 and subsequent years (rejected by a recorded vote of 207 ayes to 210 noes, Roll No. 458);

An amendment that sought to increase from 1 cent to 2 cents the storage rate per bushel under the resale program;

An amendment that sought to add language specifying commodities as being "exported" upon delivery at ports; and

An amendment that would require the Secretary of Agriculture to issue final regulations for title I of the Food for Peace program within 6 months of the enactment of this bill. The regulations would cover conflicts of interest and would limit any one exporting firm to a 25 percent share of the market for any one commodity.

H. Res. 727, providing for the consideration of H.R. 8444, to establish a comprehensive national energy policy (H. Rept. 95–546). Page 25577

Agriculture: By a yea-and-nay vote of 294 yeas to 114 nays, Roll No. 478, the House passed H.R. 7171, Agricultural Act of 1977.

Rejected a motion to recommit the bill to the Committee on Agriculture with instructions to report it back forthwith containing an amendment that sought to set the payment limitation on wheat, feed grains, rice and sugar at $30,000 (rejected by a yea-and-nay vote of 201 yeas to 210 nays with 1 voting "present", Roll No. 477).

On demands for separate votes in the House, agreed to an amendment that adds sugar beets and sugar cane to the list of designated nonbasic commodities entitled to a specified level of support through loans and purchases (agreed to by a yea-and-nay vote of 246 yeas to 165 nays, Roll No. 475). On Friday, July 22, same amendment was agreed to in the Committee of the Whole by a division vote of 81 ayes to 3 noes; and

Rejected an amendment that sought to authorize and direct the Secretary to establish a price support program for 1977 crops of sugar beets and sugar cane (rejected by a yea-and-nay vote of 173 yeas to 238 nays, Roll No. 476, after being agreed to by voice vote in the Committee of the Whole on Friday, July 22).

By a yea-and-nay vote of 386 yeas to 4 nays, Roll No. 470, the House agreed to a motion to resolve itself into the Committee of the Whole.

Agreed to the amendment in the nature of a substitute for title XII, food stamps (substitute is the text of H.R. 7940, H. Rept. 95–464) (agreed to by a recorded vote of 320 yeas to 91 nays, Roll No. 473), as amended by:

An amendment that gives States the option of issuing cash in lieu of stamps to elderly, blind, and disabled persons;

An amendment that permits the Secretary to furnish commodities to summer camps as long as the adult-children ratio is not unreasonable in terms of the nature of the camp and the characteristics of the children; and

An amendment that gives the Secretary discretion in providing commodities to maintain food assistance programs.

Rejected an amendment to the food stamp substitute that sought to permit the Secretary to implement additional pilot projects involving the performance of work in return for food stamps, if requested by State agencies (rejected by a recorded vote of 159 ayes to 255 noes, Roll No. 472).

Agreed to:

A clarifying amendment in the nature of a substitute for language concerning international agricultural research, extension, and education, to insure that duplication between the Department and other agencies does not occur;

An amendment that requires an investigation by the Secretary into the feasibility of using organic waste materials as fertilizer;

An amendment that provides that cooperative extension services give attention to education programs for water conservation;

An amendment that provides for the establishment of at least 3, but not more than 5, regional solar energy research centers;

An amendment that clarifies and broadens the definition of solar energy to include energy derived from sources (other than fossil fuels) and technologies included in the Federal Nonnuclear Energy Research and Development Act of 1974;

An amendment that exempts the small baker from most of the recordkeeping activities required by the wheat and wheat foods research and nutrition education program; and

An amendment that strikes the wheat and wheat foods research and nutrition education program (agreed to by a recorded vote of 300 ayes to 109 noes, Roll No. 474).

Rejected an amendment that sought to delete the program providing grants to States for veterinary schools.

Agreed to an amendment that adds language amending the United States Grain Standards Act (text of H.R. 6135, H. Rept. 95–345), as amended by:

An amendment that deletes language prohibiting the Federal Grain Inspection Service from performing analysis of hard red winter wheat to determine the percentage of dark, hard, and vitreous kernels; and

An amendment that permits grain inspection agencies, that would have to cease operations because two of its employees had been convicted of violations, to continue operations if the Administrator determines that continued operations are necessary to carry out the provisions of the Act.

Rejected an amendment to the grain standards amendment that sought to permit the collection of fees to cover Federal administrative and supervisory costs related to official inspections.

Subsequently, this passage was vacated, and S. 275, a similar Senate-passed bill, was passed in lieu after being amended to contain the language of the House bill as passed. Agreed to amend the title of the Senate bill.

The Clerk was authorized to correct section numbers, punctuation, the table of contents, and cross references in the engrossment of the amendments to the Senate bill.

House then insisted on its amendments to S. 275; and asked a conference with the Senate. Appointed

Committee Meetings

INTERSTATE HORSERACING

Committee on Commerce, Science, and Transportation: Committee met to consider further S. 1185, to regulate interstate commerce with respect to parimutuel wagering on horseracing, but did not complete action thereon and recessed subject to call.

COMMITTEE BUSINESS

Committee on Finance: Committee ordered favorably reported the following measures:

H.R. 5675, to allow the Treasury Department to earn interest on deposits left in banks overnight or longer and to pay service costs to banks under present authority;

S. 901, to eliminate dual Treasury and Labor Department jurisdiction over the administration of the Employee Retirement Income Security Act (as modified by the committee, the IRS would be provided with exclusive jurisdiction under ERISA over all plan qualification requirements and funding requirements, together with the authority to impose civil sanctions for violations of such requirements. ERISA standards for non-qualified plans would also be administered by the IRS. The Department of Labor would be granted exclusive jurisdiction over fiduciary standards and prohibited transactions, except in the case of Employee Stock Ownership Plans, which would be exclusively administered by IRS); and

S. Res. 76, expressing the sense of the Senate that the President should take actions to remove trade restrictions imposed by the European Communities on dried prunes and walnuts (modified by the Committee to include prunes and other processed fruits and vegetables).

Also, committee agreed to add the substance of S. 1774, removing the Federal excise tax on that portion of a person's telephone bill which represents a State or local retail sales or excise tax imposed on the telephone company in certain cases as modified as an amendment to H.R. 3373, dealing with duty-free treatment accorded some silk yarns, which bill was ordered reported by the Committee on August 4.

Committee continued consideration of H.R. 7200, to improve the supplemental security income benefits program and child welfare services and social services, and S. 143, to strengthen the capability of the government to detect, prosecute, and punish fraudulent activities under the medicare and medicaid programs, agreed to several additional amendments to both bills, but did not complete action thereon and recessed subject to call.

A press release summarizing all actions taken by the committee today is available at the committee office in 2227 Dirksen Office Building.

Chamber Action

Routine Proceedings, pages 28175–28327

Bills Introduced: Nine bills and two resolutions were introduced, as follows: S. 2067–2075; S.J. Res. 80; and S. Res. 258. Pages 28278, 28286–28288

Bills Reported: Reports were filed after the recess of the Senate:

S. Res. 240, waiving section 402(a) of the Congressional Budget Act with respect to Senate consideration of H.R. 5027, to improve the quality of veterans' hospital care (S. Rept. 95–414);

S. Res. 246, waiving section 402(a) of the Congressional Budget Act with respect to Senate consideration of S. 1731, to extend the special pay provisions for physicians and dentists in the uniformed services (S. Rept. 95–415); and

S. Res. 257, waiving section 402(a) of the Congressional Budget Act with respect to Senate consideration of S. 2057, to establish a comprehensive national energy conservation policy, (S. Rept. 95–416). Page 28277

Bills Passed:

Veterans: By 87 yeas to 2 nays, Senate passed S. 1307, to require case by case review prior to the awarding of veterans' benefits to persons discharged administratively from the military services under other than honorable conditions, after agreeing to committee amendment in the nature of a substitute which had at first been amended by adoption of:

(1) Cranston unprinted amendment No. 765, in the nature of a substitute bill; and Page 28193

(2) Cranston U.P. No. 766, to the title of the bill. Page 28206

Pages 28193–28206

United States-Canadian Relations: Senate agreed to S. Res. 152, expressing the sense of the Senate that the President bring to the attention of the Government of Canada the adverse effect on the United States broadcasting industry of certain provisions of the Canadian tax code. Pages 28206–28207

Coal Utilization: By 74 yeas to 8 nays, Senate passed H.R. 5146, providing for duty-free entry of bobsleds and luges, which had at first been amended (U.P. amendment No. 783) by incorporating the text of S. 977, to conserve gas and oil by fostering increased utilization of coal in electric generating facilities and major installations, as amended, and the text of Part 6 (Conversion from Natural Gas and Petroleum to Coal and Other Fuel Resources) of H.R. 8444, proposed Energy Tax Act of 1977.

Prior to these actions Senate took action in connection with amendments proposed to S. 977, as follows:

Adopted:

(1) Bartlett amendment No. 824, to permit new intrastate natural gas contracts where necessary to meet electric utility requirements in the approved systems compliance plan; Page 28234

(2) Modified Johnston unprinted amendment No. 768, to define a major fuel-burning installation as one which burns 300 million Btu's per day or less, instead of 100 million Btu's, with proviso that FEA study and report to Congress on the effect of such provision; Page 28240

(3) Huddleston U.P. No. 769, calling for establishment of a Federal-State task force to evaluate existing Federal energy development programs; Page 28242

(4) Glenn U.P. No. 770, to specify that the Secretary of Energy be responsible for determinations concerning exceptions and exemptions under the Act; Page 28243

(5) Haskell (for Muskie) U.P. No. 771, to bring the Emergency Powers section of the bill into conformity with the Clean Air Act; Page 28243

(6) Haskell (for Muskie) U.P. No. 772, to clarify provisions of the bill as they relate to environmental requirements; Page 28244

(7) Domenici amendment No. 835, requiring FEA to study problems of compliance with the Act experienced by small electric utility systems; Page 28244

(8) Sasser U.P. No. 773, calling on the President to conduct a coal industry performance and competition study; Page 28245

(9) Kennedy U.P. No. 774, to clarify section authorizing permanent exemptions to permit the use of oil by new electric power plants where necessary to prevent impairment of reliable service; Page 28247

(10) Kennedy U.P. No. 775, to provide a uniform application of laws relating to energy information; Page 28247

(11) Cranston U.P. No. 777, to clarify the bill with respect to FEA consultation with state energy agencies in exemption matters; Page 28250

(12) Cranston U.P. No. 778, of a clarifying nature to Kennedy U.P. No. 775; Page 28250

(13) Haskell U.P. No. 780, to insure that existing facilities which do not have standby coal burning capability are not affected by the existing law or by the bill; Page 28253

(14) Hansen U.P. No. 781, to reinstate an inadvertently-stricken provision of the Energy Act of 1974

which limited the FEA's authority to retroactively impose rule changes on petroleum product marketers in its enforcement program; and Page 28254

(15) Jackson U.P. No. 782, to provide that Title III of the bill shall not be effective so long as Title II remains law. Page 28257

Rejected:

(1) Modified Kennedy amendment No. 838, to prohibit future acquisition by major oil and gas companies of coal and uranium resources (tabled by 62 yeas to 30 nays); Page 28208

(2) By 31 yeas to 55 nays, Glenn U.P. No. 776, to authorize certain natural gas to oil conversions during natural gas supply emergencies declared by the President; and Page 28248

(3) By 39 yeas to 44 nays, Metzenbaum U.P. No. 779, requiring the Administrator to make recommendations to the Congress when he determines that the rate of increase in the price of coal committed to contract is 10 percent or more during any 12 month period. Page 28251

Also during consideration of this bill the Chair sustained a point of order on grounds of germaneness against Hansen amendment No. 836, to strike that section of the Clean Air Act which authorizes the President to require major noncomplying industrial coal burners to utilize coal supplies that are locally and regionally available, prior to which, by 44 yeas to 47 nays, Senate rejected tabling motion. Committee Meetings

AUTO SAFETY STANDARDS

Committee on Commerce, Science, and Transportation: Consumer Subcommittee voted to disapprove S. Con. Res. 31 and 37, proposing that Congress disapprove the Federal Motor Vehicle Safety Standard pertaining to passive restraint devices promulgated by the Secretary of Transportation, transmitted to Congress on June 30, 1977. In the same motion, Subcommittee agreed to rec-

ommend that if the full committee considers these resolutions that they be tabled.

COMMITTEE BUSINESS

Committee on Finance: Committee reconsidered its action of September 29 when it ordered favorably reported H.R. 7200, to improve the supplemental security income benefits program, child welfare services, and social services, and agreed to modify the community work and training provisions so as to require that participants receive at least the Federal minimum wage, and again approved the bill for reporting to the Senate.

Also, committee continued consideration of proposals affecting social security system financing, but did not complete action thereon and will meet again to consider this matter on Tuesday, October 4.

Committee will meet on Monday to resume consideration of the proposed National Energy Tax Act (as embodied in H.R. 8444, which is being held at the Senate desk).

PANAMA CANAL TREATIES

Page 32480

Labor Reform: House continued consideration of H.R. 8410, Labor Reform Act of 1977; but came to no resolution thereon. Proceedings under the 5-minute rule will continue on Thursday, October 6.

By a yea-and-nay vote of 384 yeas to 5 nays, Roll No. 626, the House agreed to a motion to resolve itself into the Committee of the Whole.

Agreed To:

An amendment providing that a three-member panel of the NLRB can summarily affirm administrative law judge decisions, that a motion for summary affirmance be filed within 10 days after the decision of the administrative law judge, and that any response be filed within 20 days thereafter;

An amendment as amended by a substitute that expands the equal access provisions to all elections and assures that the employee has an equal opportunity overall to obtain such information from the employer and labor organization (agreed to by a recorded vote of 408 ayes to 8 noes, Roll No. 628). Rejected two amendments to the substitute that sought to make the equal access provisions applicable only during the 7-day period prior to a representation election; and to prohibit employers from being required to reimburse employees for time used to obtain information from labor organizations;

An amendment that permits the review of requests to the Board to make timely rules to be heard by the court of appeals in which the petitioner resides or has its principal office or in the District of Columbia (agreed to by a recorded vote of 246 ayes to 174 noes, Roll No. 629, after being rejected earlier by a division vote of 30 ayes to 39 noes);

An amendment as amended by a substitute that provides for Congressional review and veto of rules or regulations issued by the Board. Agreed to a technical amendment to the substitute amendment;

An amendment that extends the provisions for expedited elections to decertification and deauthorization elections;

An amendment as amended by a substitute that changes the time limits for representational elections from 15 to 25 days when a majority of employees petition, and from 45 to 50 days when 30 to 50 percent petition; and requires the Board to order an election within 17 days of the filing of the petition (agreed to by a recorded vote of 418 ayes, Roll No. 631). Rejected an amendment to the substitute that sought to change the time limits from 15 to 28, 45 to 60, and 75 to 90 days when complex issues were involved; and extend from 7 to 20 days the time in which the Board must order an election (rejected by a recorded vote of 185 ayes to 229 noes, Roll No. 630);

An amendment that clarifies language concerning challenged ballots, permitting the resolution of eligibility questions raised by the challenges;

An amendment that restores the substantial evidence test for judicial review of certification of bargaining agents; and

An amendment that grants the Secretary of Labor the discretion of removing or reducing debarments and restricts debarment to the particular facility where the violation occurs or to the entity legally responsible for the violation (agreed to by a recorded vote of 394 ayes to 8 noes, Roll No. 633).

Rejected:

An amendment that sought to strike the provisions expanding the Board from 5 to 7 members and lengthening their terms (rejected by a division vote of 28 ayes to 37 noes);

An amendment that sought to strike the provision requiring that in representation campaigns employees may obtain information from the labor organization in an equivalent manner to information given employees by employers (rejected by a recorded vote of 168 ayes to 247 noes, Roll No. 627);

An amendment that sought to strike language directing the Board to promulgate rules defining appropriate units for collective bargaining purposes (rejected by a division vote of 18 ayes to 40 noes);

An amendment that sought to strike language relating to standards for judicial review of rules;

An amendment that sought to permit review of rules on the grounds that they have been improperly applied (rejected by a division vote of 33 ayes to 55 noes);

An amendment that sought to prohibit the Board from hearing fair labor practice disputes if the parties have agreed to arbitration, unless the arbitration determinations were inconsistent with rights granted in the Act (rejected by a division vote of 19 ayes to 29 noes); and

An amendment that sought to strike the debarment provisions in the bill (rejected by a recorded vote of 111 ayes to 301 noes, Roll No. 632).

Points of order were sustained against sundry amendments.

Pages 32480–32529

INDEX

This index is keyed to the DIGEST as published with the DAILY CONGRESSIONAL RECORD; the page references are listed accordingly, as D5, D6, etc.

The bill numbers of proposed legislation are affixed to the subject references so that the subject matter of each measure will be readily available. The breakdown under each subject divides the action on the proposals according to: hearings or actions by House or Senate committee or joint or conference committee, consideration or action by House or Senate Chamber on the measures, and the public law numbers when the bill or resolution has been enacted.
